

1 I AM AT MY GRANDPARENTS' HOUSE, IN THE COUNTRYSIDE. I JUST SNEAKED INTO THE KITCHEN AND I'M EATING CHOCOLATE, IS DELICIOUS. I WISH TO EAT THE WHOLE SLAB!

2 OUCH! I HAVE STOMACH ACHE! I THINK I WENT OVERBOARD WITH THE CHOCOLATE AND I'M NOT FEELING WELL AT ALL. I THINK I'M GOING TO GO FOR A WALK, LET'S SEE WHETHER THIS STOMACH ACHE STOPS.

3 MY GRANDFATHER IS GATHERING VEGETABLES FOR LUNCH... HE ALWAYS SAYS THEY HAVE A LOT OF VITAMINS.

4 MY GRANDMOTHER IS COLLECTING THE EGGS HER HENS HAVE LAID. YUMMY, I LOVE FRIED EGGS, AND THEY ARE SO HEALTHY!

5 MY MOTHER IS MILKING THE COW TO GET FRESH MILK. MILK IS NOURISHING AND MAKES YOU GROW A LOT!

6 MY FATHER IS HARVESTING WHEAT. WHAT A LOT OF THINGS ARE MADE FROM WHEAT! BREAD, PASTA AND BISCUITS ARE MADE FROM WHEAT!

7 MY BROTHERS ARE PICKING UP APPLES... THEY ARE SO GOOD AND, JUST LIKE ALL OTHER FRUITS, APPLES ARE FULL OF VITAMINS!

8 GREAT! EVERYTHING IS COLLECTED AND MY STOMACH NO LONGER HURTS! I'M FEELING MUCH BETTER AFTER THIS WALK!

9 WITH EGGS, MILK, WHEAT AND FRUIT YOU CAN MAKE SO MANY THINGS AND SO GOOD. AND ALSO THEY MAKE YOU GROW STRONG AND HEALTHY!

YUMMY! EVERYTHING IS DELICIOUS. MY GRANDPARENTS ARE REALLY GOOD COOKS! AND IF I EAT ALL THIS I'M SURE I WON'T HAVE STOMACH ACHE. HEALTHY EATING IS THE BEST THING YOU CAN DO!
